Notes:

1. Students must attend at least one multi-intelligence course.
2. Students are required to gather in the school playground after lunch before going to the activity venue. When they have finished with the class, they have to go back to school with the team. Parents must arrive at the class venue 15 minutes before or after class if they would like to pick up their child
3. Please note that the venue stated in the notice is the main place for the class. For reasons such as weather or course layout, the venue will be co-ordinated as required.
4. Students must attend every extra-curricular activity lesson. Unexcused absences will be deemed as absenteeism.
5. Students who are recommended by teachers or tutors will have priority access. In the case of over-subscription, lots will be drawn to determine the successful applicants. Courses will be cancelled if the number of applications is below the minimum required. Applicants of any cancelled courses will have priority to enrol in their next choice.
6. No changes can be made once the enrolment is confirmed.
7. The courses are largely subsidized by the school. Students who receive a full grant under the Student Financial Assistance Schemes (SFO) can receive half of the subsidy for each term. The amount
