Mid-Autumn Festival Activity Arrangements

Dear Parents,

1. Mid-Autumn Festival gifts giving to the elderly

The annual Mid-Autumn Festival is coming soon. The school hopes to share the festive atmosphere with elderly people in Cheung Chau and encourages students to care for them. From 4th September to 10th September 2019, the school will collect gifts (the gifts can be individually wrapped food or daily necessities such as: paper towels, towels, cereal, biscuits, etc.) donated by students and parents. We hope parents can donate and support the activities.

Please place the donated gifts in the collection box in the covered playground on the above dates. All gifts will be presented to elderly people by the students, parents and teachers of the Kwok Man School Vernacular Normal Anglo-Chinese Kindergarten & Nursery on 13th September 2019(Friday).

2. Mid-Autumn Festival Children's Day

In addition to the activity above, the school will hold "Mid-Autumn Festival Children's Day" on 12th September, 2019 (Thursday). There will be different festival theme booth games and a number of activities, such as Mid-Autumn Festival food sharing for students to participate in. Since activities are arranged in accordance with the class timetable, students should arrive at school before 8:50 a.m. as usual. School will also finish at the normal time.
