Saturday Cambridge English Course (Term 1)

Dear Parents

To boost our students' interest and skills in English, our school will organize Cambridge English classes for Primary 1 to Primary 6 students. The course will unfold in three terms, focusing on engaging activities to enhance interest in English. In the second and third terms, students will gradually prepare for the internationally recognized Cambridge English exams. This course is designed for students with a foundational knowledge of English who wish to take the Cambridge English exam. Please note that course content may repeat from the previous year but new elements will be added as well. If parents are considering promoting students to the next level, please kindly inform Curriculum Leader, Mr Cheng Wai Kin.
