Parents are kindly asked to help their children prepare for the dictations. The scope and content of the Chinese and English dictations will be given to each student by their subject teachers. The audio recordings of the Chinese and English dictation content made by our teachers are available on Google Classroom. Our subject teachers will also show students how to access the relevant audio files during class in the coming week.

Additionally, to help P.1 students adapt to primary school life, there will be no dictations in the first term; the above dates only apply to P.2 to P.6 students. If you have any questions, please reach out to the Curriculum Leader, Mr. Cheng Wai Kin.
