Dear Parents/Guardians,

Uncle and Auntie "Story Broadcasting"

In order to strengthen children's reading habits and enhance their interest in reading, our school sets up Dawn Story Time in the library. We now hope to promote the reading atmosphere to the families, and encourage families to strengthen the bonding between parents and children through storytelling. From October to December, every Tuesday and Friday, in the morning, parents are invited to our school as story uncles and aunts so that children can enjoy the fun together. The details are listed below:

Time: 8:10-8:25 am

Location: our school library

Contact teacher: Ms. Chiu (The school teacher librarian)
