Dear Parents,

In order to understand the status of government funding received by all students in the school and use it as a reference for funding various activities in the new school year, our school requires parents to report the status to the school starting from this year. Government funding includes:

2. Obtain the "Full Book Subsidy" subsidy

4. Get income family allowance

Please fill in the reply slip and return a copy of the relevant subsidy certificate to the class teacher before 2nd October, 2024 for follow-up processing.

The information collected is for internal reference only and will be kept securely. For enquiries, please contact your child's class teacher or Miss Kwok.
