**National Education Mascots Naming Competition**

Dear Parents,

In order to enhance students' attention to and interest in national education, the Education Bureau has designed a series of national education mascots. The mascot is based on an animal, with a symbol of national education and learning. The Education Bureau sincerely invites all primary and secondary school students in Hong Kong to participate in the National Education Mascots Naming Competition and give their mascots meaningful names.

**Competition rules:**

- Contestants must name the mascots (Chinese names) and write a naming concept within 100 words in Chinese for each name.
- The name of the mascot and its concept must reflect elements of national education, such as Chinese culture, national history and development, the Constitution and the Basic Law, etc.
- Contestants can choose to name one, two or all mascots.
- The naming of each mascot will be reviewed individually.
- Each contestant must use the entry form to fill in the name of the mascot and naming concept.
- After collecting the participation wishes, the teacher in charge will distribute the work form to the participating students. (Parents can also download it themselves in the attachment).
- Please submit the completed work to Miss An for follow-up before 17<sup>th</sup> November, 2023.

If you have any enquiries, you can contact Miss An.
