"Visiting Cheung Chau Government Secondary School"

Dear Parents,

Cheung Chau Government Secondary School invites our P.5 and P.6 students to attend a visit and curriculum experience day organised by them. The school also hopes that students can have a deeper understanding of secondary schools in the district. Students will be led by the class teacher to attend this event from 10:00 a.m. to 12:00 a.m. on 24/11 (Friday). Except for the visiting period, the rest of the time will be classes as usual, so students still need to bring textbooks to school. The activities of the day included STEM teaching, art subject learning, traditional snack making, etc.

Please complete the e-notice. If you have any enquiries, you can contact the vice principal, Miss Fan.

Mr. Yung Chi Ming (Supervisor)

Ms. Kwok Yuen Ki (Principal)
