Donation Appeal — Charity Bazaar Stall

Dear Parents,

This year, our school will be participating in the "2025 Charity Bazaar" organized by Caritas – Hong Kong. In addition to a student performance, we will be hosting three stalls: a food stall, a game stall, and a charity sale stall.

Beyond simply taking part in this community event, we hope to transform our students from "participants" into "contributors," allowing them to learn the value of service and sharing. Therefore, for our charity sale stall, we sincerely invite all parents and students to join us in this act of kindness. We encourage you to find any unused or brand-new items at home to donate as merchandise for the stall, making this event even more meaningful.

All donated items will be used exclusively for the charity sale. All proceeds will be donated to Caritas – Hong Kong to support their local community services. Any unsold items will be returned to your child or donated directly to Caritas – Hong Kong.

Item Requirements: Items must be unused or brand-new.

Collection Period: From Monday, 27th October to Wednesday, 5th November.

Collection Point: Please deliver the donated items to the school's reception room.

Categories of Items Accepted: (Must be new or unused, and in good working condition.)

Stationery: All types of stationery.

Toys: Complete and undamaged toys.

Electrical Appliances: Small household appliances.

As the saying goes, "Many hands make light work, and every little bit counts." We look forward to your generous support to make the best use of these items and reduce waste. If you have any questions, please contact Vice Principal Fan.

Mr. Lo Wan Kai(Supervisor)
Ms. Kwok Yuen Ki (Principal)
