Children's Book Fair and
Super Parents & Kids Expo 2022 Ticket Distribution

Dear Parents:

As reading is the foundation of lifelong learning, we encourage students and parents to discover high-quality books and reading materials, the school specially distributes "Super Parents & Kids Expo 2022" to students and parents. The exhibition will be held from December 9th to 11th. The exhibition site is located in AsiaWorld-Expo. There are many exhibition halls for students to visit freely. Parents can ask the school for tickets to bring their children to participate in this event, so as to take care of them. and guidance. Each participating student will receive 2 adult and 2 child admission tickets. The quota is 50 people. If the quotas are exceeded in the first round of enrolment, allocation of places will be determined by drawing lots.

If you have any questions, please scan the QR code on the left to log in to the conference website, or contact Ms. Chau from our school library.
