Secondary School Places Allocation (SSPA)
Applications for S1 Discretionary Places(DP)

Dear Parents,

The first phase of the Secondary School Place Allocation, applications for S1 Discretionary Places, will be distributed to all parents on Parents' Day, 14 December (Saturday). The information provided will include:

- 1) Important Notice for Parents Regarding S1 School Place Allocation
- 2) Primary 6 Student Data Sheet (Please keep this form safe. You will need to present it when enrolling your child in secondary school in July.)
- 3) Original and copy of the S1 School Place Allocation Application Form (The copy should be in black and white. Parents should fill in the expected secondary schools for their children and return the form to the class teacher before 17/12. The school will provide relevant recommendations based on the student's performance and return the form before 19/12.)
- 4) Parents can also apply directly to two secondary schools using "Smart Identity Plus" and submit the application form through the platform. For details, please refer to Circular No. 104 (Secondary 1 Allocation Electronic Platform).

Parents are kindly reminded to submit the "Secondary School Place Allocation Form" to one or two secondary schools of their choice between January 2nd and 16th. Additionally, parents need to complete the school application form of the chosen school(s) for their children. If you have any questions regarding secondary school placement, please feel free to consult your class teacher or Vice Principal Ms Fan.

Furthermore, the school understands the difficulties parents may encounter when choosing a secondary school for their children. In addition to meeting with parents on Parents' Day, the principal also welcomes parents to schedule a separate meeting. Please contact Vice Principal Ms Fan to make an appointment (2981 0432).

Mr. Lo Wan Kai(Supervisor)
Ms. Kwok Yuen Ki (Principal)
