Dear Parents/Guardians,

Uncle and Auntie "Story Broadcast Month"

In order to strengthen children's reading habits and enhance their interest in reading, our school sets up Dawn Story Time in the library every day. We now hope to promote the reading atmosphere to the families, and encourage families to strengthen the bonding between parents and children through storytelling. Now, in the second and third weeks of July, parents are invited to the school as story uncles and aunts so that children can enjoy the fun together. The details are listed below:

Dates: July 11-22 (Monday to Friday)

Time: 8:10-8:30 am

Location: our school library
