The activity day mainly includes the following contents:

Lesson 1 to lesson 5	<p>Putonghua drama : Enhance students' interest in Putonghua through relaxing and interesting campus skits.</p> <p>KMS small community : We create a situational experience environment for different aspects of clothing, food, housing and transportation, allowing students to combine learning with entertainment and learn more vocabulary and pinyin related to daily life.</p> <p>Face changing show : Appreciate the national intangible cultural heritage-Sichuan Opera face-changing performance and learn about the history and characteristics of the face-changing culture.
