Cheung Chau

March 31, 2023

Dear Parents:

2023 Reading Day and e-library Launch
<Pleasure Reading Tales • Flying Through the Universe>

The theme for our reading day 2023 is: 'Pleasure Reading Tale • Flying Through the Universe'. In order to encourage our students to read, our school uses classic stories as the major genre to strengthen the foundation of literature and culture, logical and critical thinking. In addition, our school accepted The Hong Kong Jockey Club Charities Trust's donation of \$100,000 to implement "Jockey Club Joy of E-Reading Scheme" to purchase e-books and reading platforms. To this end, our school will hold April 25th as a reading day, with a variety of activities throughout the day to arouse students' interest in reading and use related electronic reading resources. The details of the activities are listed as follows:

Activities include:

1. Dress code: The Little Prince and the Little Princess
2. Book Character dressing show: Choose a tale and a character in any books, and then dress as the book character on April 25.
3. Activities: pop-up book exhibition, lectures, story time
4. Book fair (students can bring about HK\$100 to buy on the spot)
5. Silent reading time: we will borrow a book from the Hong Kong Public Library for each student, and the book will be distributed on that day. Students must return the book to the class teacher on May 9, and the school will return it to the Hong Kong Public Library. Books owed Students are required to pay the fine to the Hong Kong Public Library.)
6. School start and end times and lunch as usual.
7. Bring an iPad for the day
8. Morning IRTP and after school self-study classes will be suspended for one day

To make it a reading day for your child, your child needs your support and preparation. If you have any inquiries, please contact Ms. Chiu from the school library.

Mr. Yung Chi Ming (Supervisor)

Ms. Kwok Yuen Ki (Principal)
