The electronic submission (e-Submission) of application for student grant (\$2,500) 2024/25
“iAM Smart+” Registration

Dear Parents,

Starting from the 2024/25 school year, EDB will extend the e-submission of student grant applications to all types of schools including private schools, English Schools Foundation (ESF) schools and kindergartens. To submit online applications, parents must have a user account of “iAM Smart+” with digital signing function. To facilitate parents to make registration, EDB will arrange promotion activities again and set up booths for on-site “iAM Smart+” registration for parents at designated schools in various districts this year. Parents can complete the on-site registration. Details of the registration activities to be held in May and June 2024 as well as the booking method are provided in the attached poster for reference.

Parents are also required to prepare the followings for on-site registration.

1. Hong Kong Identity Card;
2. Personal mobile phone (Enabled biometric authentication functions (including facial recognition, fingerprint identification, etc.) and installed "iAM Smart" App) and
3. Provide an Email Address which can receive emails.

Parents may at any time register for “iAM Smart+” in-person at the district “iAM Smart” self-registration kiosks or registration service counters with around 170 locations, including Post Offices in various districts.

For detailed locations and opening hours of “iAM Smart” self-registration kiosks or registration service counters, please visit the thematic website https://www.iamsmart.gov.hk/en/reg_location.html.
