**2024-2025 National Education Day**

Dear Parents,

15<sup>th</sup> April this year marks the 10th National Security Education Day. The National Education Department of our school jointly organises National Education Day activities with Chinese, Putonghua and other subject departments. Through diversified activities, students can understand China's excellent traditional values and understand intangible cultural heritage, broaden their horizons, and enhance cultural confidence and awareness of national security.

National Education Day activities mainly include the following contents:

Inter-class ancient poetry recitation competition, knowledge competition, national exploration video class, National security education lectures, intangible cultural heritage lectures, national tide competitions, etc.

In addition, our school also invited teachers and students from our sister school, Zhaoqing Duancheng Primary School, to participate in the opening ceremony of the activity day online.

Notes:

1. The morning tutorial classes and the self-study classes on that day will be cancelled. All students are required to attend school according to the usual starting time (8:30 am.) and dismissal time (3:10 p.m.).
2. Homework should be handed in as usual.
3. Students are required to bring their stationery, backpack, water, and I-pads.
4. Students are required to wear PE uniforms to join the activities.

We hope that parents will support and encourage their children to actively participate in the activities. For enquiry, please contact Miss An or Mr Chan.

Mr. Lo Wan Kai (Supervisor)  
Ms Kwok Yuen Ki (Principal)
