The Transition of Summer and Winter Uniforms

Dear Parents,

As the weather is gradually getting warmer, the school has designated the period from March 31st to April 30th as a transition period for winter and summer uniforms. During this time, parents are requested to arrange the appropriate uniform for their children based on the daily weather conditions.

Starting from May 4th, all students are required to wear the proper summer uniform to school. For details regarding the summer uniform dress code, please refer to page 10 of the Student Handbook.

Additionally, the school has arranged for the uniform supplier to sell summer uniforms (previous design) on campus on Friday, April 17th, from 11:30 a.m. to 4:30 p.m. Parents who wish to purchase these uniforms for their children may proceed to the School Hall during this specified time.

Remarks:

1. Payment Methods: Four payment methods are accepted: Cash, WeChat Pay, Alipay, and Octopus.
2. Reusable Bags: Parents are requested to bring their own reusable bags for carrying the uniforms. If a plastic bag is required, a charge of \$1 per bag will apply.
