【Small Steps, Big Strides】 Learning & Character Challenge

Dear Parents,

To encourage our students to strive for excellence in both academics and personal conduct, the school will launch the "Small Steps, Big Strides" Challenge from May 18th to June 18th. By setting manageable goals, students can experience the joy of self-improvement and personal growth. We sincerely invite parents to support your children as they embark on this journey of transformation.

Plan Details

Academic Growth: Students will identify and set personal learning goals on their "Goal Worksheet." Class teachers will review these goals to ensure they are realistic yet challenging, providing guidance and adjustments where necessary.

Success Criteria: Subject teachers and class teachers will assess whether students have met their targets based on their performance in the Term 3 examinations.

Character Development: Students will select 2 specific behaviors or attitudes they wish to improve. Our teachers will observe students at school to acknowledge and support these positive changes.

Success Criteria: Class teachers and the Discipline and Counseling Team will jointly evaluate the genuine progress made in each student's conduct and attitude.

To foster a culture of mutual encouragement, we have established the "Paper Crane Pool" on campus. When teachers observe students demonstrating kindness or good deeds during non-lesson hours, they will reward them with a paper crane to be placed in the pool. This collective effort symbolizes the vibrant, positive energy growing within our school community.

Our ultimate ambition is for 100% of our students to achieve their self-defined goals! To celebrate this collective achievement, the school will invite all teachers and students to a special screening of "Toy Story 5" at the cinema before the end of the school term (around late June).

We hope parents will actively support this initiative by encouraging and guiding your children to maintain these positive habits at home.

Mr. Lau Hong Wing (Supervisor)

Ms. Kwok Yuen Ki (Principal)
