**Positive Education Plan – ‘KMS Stationery Treasure Bag’**

Dear Parents,

The counselling team will start to implement the "KMS Treasure Stationery Bag" project in November this year. The purpose of the project is to enable students to understand their personality strengths, explore their personal characteristics and cultivate positive emotions.

**Background:**

The school has designed a set of positive characters for stationery, namely Little P (a pencil), Little Sharp (a pencil sharpener), Gummy (an eraser), the Twins (scissors), and the Pastel Brothers (oil pastels), and Go Go (a ruler). Each of them has different personality strengths, which represent courage, wisdom and knowledge, benevolence, spirituality and transcendence, justice and temperance. They will accompany Kwok Man students as they grow up, helping them to find their own personal characteristics and strengths, and become unique people.

**Activities:**

The activity is divided into different parts. The first part is the "Bring out your good mood" activity. The school will distribute reward cards to students. When the students are appreciated by the teacher, the teacher will sign the circles of the reward card. After getting 10 signatures, students will get 5 chances to "twist the positive golden sentence card" on the "twisting card" machine. They can exchange 25 positive golden sentence

cards for a gift. The school will also distribute card books to students for collecting positive golden sentence cards. Parents will be notified about other aspects of this project in due course.

If you have any queries, please contact Miss Fung or the school social worker, Miss Cheung.
