Volunteer Activity-"Christmas Caring Action"

Dear Parents,

In response to International Volunteer Day in December, the school encourages students to participate in the "Heart to Heart" project organised by the Hong Kong Federation of Youth Groups. The students will personally colour in "Neighborhood First" Christmas cards and packs of 50 adult masks will be included in the gifts. The school will pass on these gifts to those in need in the community to send blessings and care to our neighbours.

In this event, participating students will receive a Christmas card. They are asked to draw carefully. After completion, they will return the work to the school before 13th December, and the school will give it to those in need in the community. To encourage students to participate, they will receive a record of one hour volunteer service hours to reward them for their participation.

Please fill in the reply slip and encourage your child to actively participate in the activity. If you have any queries, please contact the social worker, Ms Cheung.

Mr. Lau Hon Wing (Supervisor)
Ms Kwok Yuen Ki (Principal)
