3. Students who have received full assistance from the SFAA will have their tuition reduced by half; CSSA families can also apply to the Social Welfare Department for funding. (Please see the attachment for the price.)

Participating in the Chinese musical instrument classes can allow students to learn more about Chinese culture and also enrich their learning experience. We sincerely hope that your children will actively participate. Please fill in the reply slip and return it to the class teacher on or before 6th December. If the number of applicants exceeds the number of places available, places will be determined by drawing lots. Parents will be notified of admission results by phone.
